Subject: Approval Letter of Job Eligibility - Wilson Walker Canada

Dear NASRIN AKTER,

Wilson Walker is pleased to inform you that your resume against **"Software Engineers and IT professionals"** has been approved as a basic step towards the 24 months Lower-skilled Occupation base Canadian Work Permit. Once Approval letter received, you have to submit the Evaluation Report Order ID issued by Overify.

Overify is our authorized Document Evaluation Company who is responsible to verify the below mentioned documents on behalf of Wilson Walker Canada.

Documents required for evaluation:

1. Academic Certificate/Degree (Highest Degree)
2. Experience Letter or Salary Slip (Current employer or last employer)

Evaluation Procedure:

1. Register your account with www.overify.com.
2. Upload the above mentioned documents along with required fields.
3. Overify always posts candidate's original evaluation report to employer's postal address, so please enter the Wilson Walker Canada address carefully. *(Address already mentioned on the bottom of this document)*
4. Upon successful order placement, Overify will issue an Evaluation Report Order ID. *(Please keep it safe for further procedure)*
5. Login to Wilson Walker Canada account and submit your Evaluation Report Order ID under "Submit Evaluation Reports" tab, along with your Government Issued ID in English. *(Passport/Driving License/National ID.)*

Important:

- I. Submit your Evaluation Report Order ID within 20 days from receiving this letter, to avoid expiry of Approval Code.
- II. According to the Standard Operating Procedures of Wilson Walker, without Evaluated Documents, Process for the Work Permit cannot be started.
- III. This Approval Letter is an internal document of Wilson Walker, so it cannot be considered as Work Permit.

Regards,
John Francois
Operation Manager
